EXMOUTH

Exmouth is a beautiful family resort with plenty to offer including its picturesque seafront, lovely cliff walks with stunning views of the bay and surrounding countryside.

The beach has two-miles of golden sand and many fascinating rock pools, making it a paradise for children and adults alike. The promenade has old favourites such as crazy golf, donkey rides, swing boats and sometimes even a Punch and Judy show.

The town marks the western gateway to the stunning Jurassic Coastline, which runs from Exmouth to Swanage in Dorset (95 miles) and was awarded World Heritage Status in 2001.

The Exe Estuary is one of the most beautiful in Britain and a haven for birdlife. Amble along the banks for glimpses of castles, charming riverside villages and breathtaking sunsets. There is also the unique National Trust site at A La Ronde.

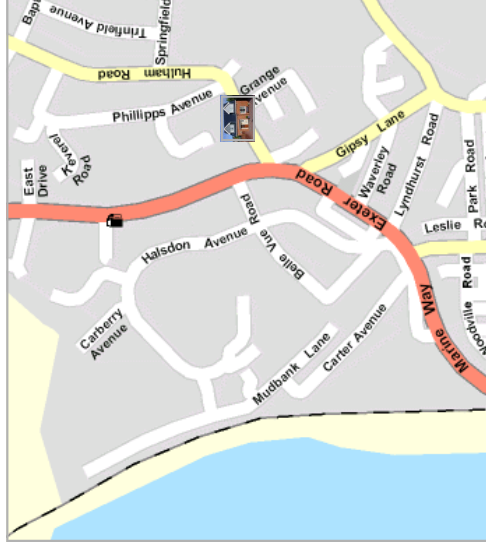

The area is also a delight for golfers with 3 top class clubs in the vicinity.

The location also offers excellent opportunities to explore further a field:

Exeter : 25 mins by car, train or bus
Dartmoor National Park : 45 mins by car
Plymouth : 1 hour by car or train
Eden Project : 2 hours by car
